

AVVC Hitting Clinics- Register Below

On Wednesday nights, **starting January 9th**, from 730-930 pm HITTING CLINICS will be offered.

Andrea Buckner, 16 all tourney coach, will be coming to the LP to work with all **HITTERS (front row players)** in the **14-16 age group**. This is a critical development time in learning this skill that involves incredible timing and practice.

Space will be **LIMITED to 10 players per night** and you must be pre-registered to attend (to avoid going over maximum and thereby reducing time with each player).

Cost is \$5 PER NIGHT, prefer cash payment. Registration is FIRST come FIRST served.

Instruction will be specific to each player's strengths and weaknesses (like volleyball tutoring).

Registrations **DUE BY January 7th** . There is no minimum or maximum number of days required. There will also be no refunds as once space is taken, no other player can fill the spot.

Mail payments to: Andrea Buckner 2010 W Ave K #442 Lancaster, CA 93536
OR Hand registration and payment in a **SEALED ENVELOPE** to her at a practice.
